- List the goals and objectives of your initiative/intervention. Please describe any research to support the design of your initiative/intervention.
- Describe how you evaluated your initiative/intervention. If you collected data, be sure to describe how that was done and how it was analyzed.

50 Word Summary:

Please submit a 50 word summary electronically or on paper of each project entered into competition for the OAHP Best Practices database.

Hardcopies:

Please submit 8 hardcopies of each entry, one for each judge and one for the OAHP files.

- If you can generate a PDF file of the entire entry package for each submission, you may submit that electronically in lieu of the 8 hardcopies.

Annual Convention & Trade Show Poster Boards:

- The annual convention will provide each plan an opportunity to display a poster board for each of its entries. This allows the health plans an opportunity to see what others were doing and to engage colleagues in discussions about various projects.
- We will set up the exhibition on Wednesday morning. The exhibition will end after lunch.
- All poster boards should include the title, the health plan name and the award category applied for. How you put it together and what you choose to include is your preference.
- You will be responsible for bringing the poster boards to the conference and removing them at the conclusion of the convention. You may bring them to the OAHP registration desk.

Deadline for applications is Friday, April 9, 2010
